Universal Wipes

Clean and disinfect in one easy step

- ✓ Multipurpose cleaning and disinfecting solution
- ✓ Kills at least 99.99% of bacteria and viruses
- ✓ Hospital Grade Disinfectant
- ✓ Suitable for use on hard surfaces

Suitable for cleaning and disinfecting surfaces and equipment, killing at least 99.99% of bacteria and viruses, including Coronavirus.

Clinell Universal Wipes are a combined cleaning and disinfectant wipe, suitable for use on surfaces, killing at least 99.99% of germs, including Coronavirus.

The wipes are perfect for using on surfaces and equipment that are frequently used including table tops, door handles, light switches, lift buttons, desks, keyboards, chairs, check outs, EFTPOS machines, bathrooms and kitchens.

- ✓ Multipurpose cleaning and disinfecting solution
- ✓ Kills at least 99.99% of bacteria and viruses
- ✓ Suitable for use on hard surfaces, including visibly dirty surfaces
- ✓ Dermatologically tested
- ✓ Perfect for cleaning work stations
- ✓ Can be used on baths, sinks and toilet seats
- ✓ No bleach, no taint
- ✓ Safe for kitchen areas
- ✓ Effective against bacteria and viruses, including COVID-19
- ✓ Hospital Grade Disinfectant

Instructions for use:

Remove one wipe from the pack. Apply to surface. Use undiluted.

Wipe in an 'S' shaped pattern from clean to dirty.

Discard the wipe in the appropriate waste bin.

Ensure that the surface remains wet for a minimum of one minute.
